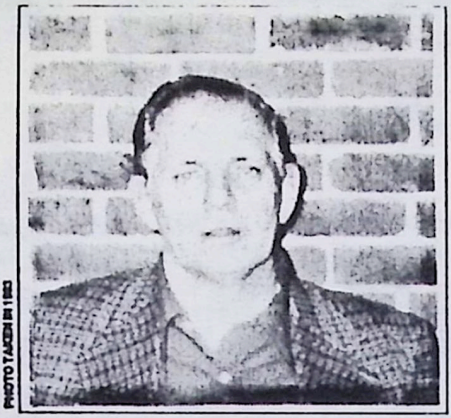
1990 SOFTBALL TOURNAMENT IS DEDICATED TO JOHN GENDRON



John L. Gendron

This tournament is dedicated to John Gendron as we feel that he has given a lot of his time to the club and the athletic program. It is time for us to pay our great appreciation of how he have been to us. He was a great athlete for the club in the past years. He led the team despite of having hard luck of winning NEAAD championships in basketball and softball. He has watched the athletic program turning into better teams. Holyoke Athletics won their first NEAAD basketball tournament in 1980 with Kim Valli as an athletic director. Softball champion in 1983 Stephen Casella as an athletic director. In the years 1980's Athletics have won basketball championships in '80, '88, '89 and softball championships in '83, '88. There are numbers of second places in our history.

We felt that John Gendron deserved the recognition from all of us as players and members. He served as various officers for the club for many years. He was one of the founders and the charter members of the club. He also is one of the longest members in good standings. Again, we want to dedicate this tournament in honor of our greatest man of the club, John Gendron. He has a wife whom he married for more than 30 years. They have a son, Roy.

IN MEMORY OF ALLAN L. BAILEY

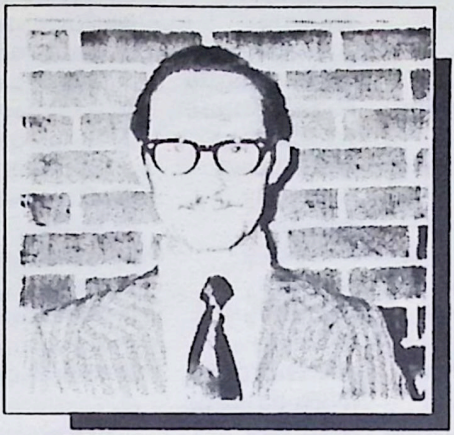


PHOTO TAKEN IN 1983

Allan LeRoy Bailey

The Holyoke Athletic and Social Club for the Deaf softball team would like to pay their respect to Allan for his outstanding support towards the athletic program along with another person who was Allan's long time friend, John Gendron. Allan was taken away from us on October 14, 1989. He was ill for a period of time. He played on basketball and softball teams for Holyoke along with other members. He is survived by his wife, Lorraine and six children, Barbara Valli, Carol Bailey, Pam Bailey, Peter Bailey, and the twins, Jesse and Jeff Bailey. All his children are members of Holyoke Deaf Club and they intend to follow their father's steps. The boys are currently members of the Holyoke Athletics softball team. Allan was involved in officers for the club for many years. He also involved in NEAAD and New England State Bowlers for the Deaf. The basketball squad of '89-'90 had the black band sewn on their uniforms in honor of Allan. The softball team had his initials printed on the side of short sleeve uniforms. (ALB)

It is time for us to go on with our highly motivation in succeeding the athletic program and he will always be with us in our hearts and in our spirits! We are grateful that we have John Gendron who is with us in our athletic program. Allan will be sorely missed by all of us!

In additional to this, we also wanted to remember some of our long time members and friends of Allan. Ellen Bouchard and Arthur Lariviere. Ellen passed away on August 23, 1989 and Arthur passed away last September, 1989.

NOTES: This is a 13 year participant summary in Women's Division, however, today will be Women's 15th Annual. Shoul it be Women's 14th Annual this year, instead of 15th Annual? The records for Women Games nor Participant Teams were not in 1976. Their records were in the book, starting 1977. Do you have any information that you may recall this 1976 record? Please report to our NEAAD Recorder soon.

SPECIAL ATTENTION

Very important, I need your attention! As you can see there are two question marks in the NEAAD Women's Historical Recognitions, those (?) question marks tell you that we do not have any records in our old books. We need your help by writing to our NEAAD Recorder as soon as possible if you may know who got those honors.

Also, do you know who receive MVP in Men's Division one or more of those years from 1946 to 1974? If so, write us soon.

Thank you for your cooperation.

★ All Star ★★ Most Valuable Player ★★★ Both

SPECIAL NOTES:

There were no individual statistical records during NEAAD '77, except there were recorded for individual All-Star players and one Most Valuable Player. There were some final results of all game scores, but no records for all individual players. Sorry.

New Category as of 'RBI' (Runs Batted In) had been added during NEAAD '88, so there were no keeping records before NEAAD '88. It means that the number of her runners scored home from her own batting. For examples, here below:

A batter hit a double while scoring three runners home, therefore, that batter received three RBI's.

Bases loaded with one out. A batter walked to first, while runner from third base walked home. That batter got a credit for one RBI.

Runner on 3rd base with one out. Next batter hit a long fly ball, which was caught by outfielder for second out, however that runner from third base raced home safely. That batter credited for a SF (Sacrific Fly Out) and also credited for one RBI.

NEAAD RECORDER: Eric J. Albro

★ = All-Star ★★ = Most Valuable Player

(a) Not included his fourth game between Hartford Blacks and Providence on August 26, 1989 because I missed his batting line while borrowing a scorebook from his club on that day. His statistics will be completed soon when I will get a copy of his game from their scorebooks first.

DNP = Did Not Play. The number of years is counted.
The number of games is not counted.

MGR = Manager. Same status as DNP rules.

COACH = Coach. Same status as DNP rules.

RBI = Runs Batted In. This category had been joind in 1988, so we did not have your RBI counts before 1988. I can do that by figuring out some wild guesses! But I can not do those guesses, give me time to work on this case later on.

Hartford B. It does not mean a second team (Team B) from Hartford, but we know it meant to represent as the Hartford Blacks team. The Hartford Oranges team was the AAAD Host team.
